## **5. Public Comment**

Sonja Thune was present to ask if she could access the library on Mondays when they are closed to do work for the Genealogical Society.

## **6. Committee/Staff Reports**

### **a. Public Works**

**City of Renville  
Public Works Committee Minutes  
5/13/2020 5:30 pm**

Present: Janette Wertish, Nate Sunvold, Bill Sietsema, Jeff Pike, Shane Wohlman, Dennis Ulrich, Paul Knapper, Jon Driggs

Absent: Alma Gasca & Lloyd Zabel

\*Paul Knapper, President of the Renville Lion's Club, attended the meeting. The Lion's would like to help the City to make Renville better and they would like to know how they can assist to improve our parks and presented a list of things they would like to help with at the parks: tree trimming, filling in holes, taking down the large hockey rink, and renovate the horseshoe courts. The Lion's Club received an estimate of \$11,000 from Larkins for tree trimming at all 3 parks. The Tree Board is looking at removing some trees due to Emerald Ash Borer, so that should be less. The Committee would like to recommend that the fence around the hockey rink be taken down due to lack of use and the size. They would also recommend using some of the wood from the fence to restore the horseshoe court and relocate it to a better area in the park.

\*Surplus Property – (1) 2001 F-150, (1) 2006 Hustler Z Lawn Mower, (3) desks, (1) credenza, & (1) magazine book rack. The Committee recommends that these items be listed as surplus.

\*City Property at 449 NW 2<sup>nd</sup> Street – Estimate from Chris Knight Excavating for \$5,500 to clean up the property after the Fire Department uses it for a training burn. Advanced Health & Safety gave a quote for an asbestos test of \$300. There is a County Blight Grant that we could apply for to assist in removal of this property. That is a matching grant up to \$5,000 and the deadline is June 1st. The Committee would like to recommend to the Council to move forward with the training burn, asbestos inspection and have Chris Knight clean up the property afterwards. The Committee would like Shane to investigate the County Blight Grant.

\*Fee Schedule – When the City signed the MnWARN agreement, we had to come up with a Fee Schedule for the Public Works Department equipment & man hours. The Committee would recommend adopting this Fee Schedule as presented.

\*Community Center Building Issues – There was some water damage in the wall by the east entryway. We believe a gutter leaked. Jeff did replace a portion of the wall, but we are unaware of how much additional hidden damage there may be. The Committee recommends the mold issue be taken care of before any other

construction is done on the building. The committee would like Shane to check with Marcus Construction to see if they can give us their professional opinion on the mold issue.

\*Shane update- RRFB Project update - Since the project cost has increased so much, Shane spoke with MnDOT about any upcoming planned ADA Transition Plans or additional grant opportunities. There are 2 grants to explore, neither of which are a perfect fit: Transportation Alternatives & Local Partnership Program. The Committee recommends putting the project on hold and putting it out for bids again later this summer. FEMA update - We received all the funds for the gravel portion of the project. Our rep called and said the asphalt portion is most likely not moving forward. There is an appeal process we can do when it gets denied. We will start that process once it has been denied. Wellhead Protection Plan – Part 1 is complete and has been approved by the council. Nate & Shane have a Scoping Meeting on May 19 with Robyn Hoerr and MN Dept of Health to plan for Part 2.

\*Nate update – We received a quote for \$4,860 for Playground mulch from Larkin’s. The mulch gets replenished approximately every 3 years. The Committee recommends we accept the bid and purchase the mulch from Larkin’s.

\*We received (3) quotes from Renville Sales to replace the 2012 Hustler lawn mower. The Committee recommends the 54” Hustler Mower with rear discharge for a total cost of \$5,340, after a trade allowance of \$2,500 for the 2012 Hustler.

\*Update on Clean-up Days - Nate believes that we brought in about the same amount of stuff as years past. There was \$2,987 collected from the items that were charged for. This will help off-set the expenses. Thanks to Shane, Jeff & Dennis for helping.

\*Streetlight issue – The light directly on the north side of the railroad tracks does not work. Community Electric determined the underground wire is bad and a new one would need to be bored. Another option is to move the light across the street as there is an already existing junction box there. A concrete base would need to be poured, but this would save considerable money versus boring. The Committee recommends moving the streetlight.

\*MESERB request – They received a request from Doctors at UMD to look at wastewater influent for fibrous shedding for covid-19. Nate has volunteered to participate in this study if they request a sample from Renville.

\*MPDS Permit for Wastewater Facility is still expired. State just sent out info that they will be reissuing these permits soon.

\*Solar Project north of town will be starting soon. Xcel Energy will need to upgrade their infrastructure to accommodate this project. Poles will have to be upgraded along Dupont Avenue.

\*Dust Control will be happening soon.

\*There have been a few frost boils this spring. We have put cones out to keep the bigger equipment off the soft spots. The garbage trucks have been the cause of some of the spots. Shane will be addressing this with West Central Sanitation.

\*Property Demolition - Chris Knight is finishing up cleaning the property at 402 W. Park Avenue. The Fuel tanks are coming out of the ground on May 14 at the old Total station.

The Committee would like to recommend Janette move forward in coming up with a way to update some of the park equipment.

Next meeting on June 10<sup>th</sup> at 5:30 pm.

A motion was made by Adam Zaske and seconded by Dave Grund to approve the Public Works Meeting Minutes.

Ayes: Gasca, Pike, & Rosen.

**b. HR Committee**

**City of Renville  
HR Committee Minutes  
5/20/2020 1:00 pm**

Present: Janette Wertish, Laura Rosen, Dave Grund, Shane Wohlman, & Angi Wulf

**City Hall preparedness/reopen plan -**

The committee agreed that the City Administrator & City Staff should move forward with the following items to open City Hall:

- Install glass at the counter with a speak through.
- Install locks on the door by the counter & council chambers with key code pads.
- Purchase a chime to alert City Hall staff when someone walks through the door.
- Purchase any cleaning supplies that are needed to implement a cleaning/sanitizing plan.
- Create appropriate office signage and post information on City social media sites.

City Hall can open as soon as these measures are put in place.

The Community Center venue will continue to follow the State’s guidelines before reopening.

**Staff traveling out of state –**

The Committee recommends Item #2 on the Employee Guidance that was created on March 17, 2020 be rescinded. Staff would be allowed to travel outside of the state.

**Utility late penalties & shut offs –**

The plan to not assess late penalties or shut-off notices is scheduled to expire on June 1. The Committee recommends allowing it to expire. City Staff should work with utility customers who are behind by reminding them of the National Emergency Utility Payment Agreement and help them out as much as possible.

### **Volunteer Waiver –**

The Committee recommends using the Voluntary Waiver of Liability Agreement for any person volunteering their time for the City of Renville. The Committee would like the addition of a place to put a signature to allow for background checks if ever needed. The lawyer will review and then sent to the council for final approval.

\* Next meeting: TBD

A motion was made by Adam Zaske and seconded by Dave Grund to approve the HR Meeting Minutes. Ayes: Gasca, Pike, & Rosen.

### **c. City Administrator**

**City of Renville  
City Administrator Report  
5-26-2020**

\* COVID-19 Update- On May 20<sup>th</sup>, I participated in a webinar through the Coalition of Greater MN Cities that included the Governor regarding issues that cities are facing. Just prior to this webinar was the press conference that introduced further guidelines for some businesses to reopen on June 1<sup>st</sup>. Restaurants and bars are limited to outdoor dining only with no more than 50 people. Cities are encouraged to “get creative” on outdoor spaces for restaurants. There was a lot of frustration and feelings of disconnect felt by Greater MN cities. The Governor encouraged city leaders to call his office directly. There is no set date for the reopening of pools, however he hopes to be able to make a decision closer to June. A more regional approach of reopening more businesses and venues in certain parts of the state that have been less impacted by the virus is being considered. This could happen in the next phase of reopening. Public and Private meetings have a capacity limit of 10 persons. Government meetings are not subject to the 10-person limit. Therefore, the Community Center could be utilized for council and committee meetings to follow social distancing guidelines.

\* Renville County Emergency Management is going to be updating the five-year Multi-Hazard Mitigation Plan (MHMP) for the County. A planning team will be used made up with representatives and key stakeholders from each city and townships. This will take place over the next year.

\* The next Fire Relief meeting is scheduled for Monday, June 1<sup>st</sup> at 6:30 pm.

\* Darin Haslip is planning on attending the council meeting on June 8<sup>th</sup> to provide information and answer questions regarding a building inspector. Darin provides his services to other cities along the 212-corridor including Sacred Heart, Olivia, Bird Island, Hector, and Buffalo Lake.

\* The 2 underground fuel tanks have been removed at the Medical Complex Site. Chris Knight has a few more loads of dirt to haul in for this site and the old Refuge site. His portion of the projects would then be complete.

\* The Part 2 Scoping meeting for the Wellhead Protection Plan was held on May 19<sup>th</sup>. Part 2 will involve digging deeper into our current plan to review and assess needs, changes, and key management strategies to implement the new plan. There is a recommendation in the Action Items to set the Part 1 Public Information meeting for June 22<sup>nd</sup> at 6:00 pm or shortly thereafter.

\* Request that the council set a variance hearing for Patricia Serrato at 302 West Park Avenue to install a porch/deck. Recommend June 22<sup>nd</sup> at 6:00 pm or shortly thereafter.

Legislative Update: On May 16<sup>th</sup>, there were 11 bills signed into law. A couple that directly impact Renville include: 1. Raising the age to purchase tobacco and tobacco products to 21. 2. Existing law allows city councils for charter cities to appoint new members to those cities' Charter Commissions if the chief judge of the district court in which the city is situated fails to make an appointment within 30 days. This bill removes that authority for city councils, so that the chief judge of the district court has responsibility for appointments and reappointments. 3. Allowing local governments to accept e-signatures and electronic submittal for certain types of documents during the COVID-19 emergency and for 60 days thereafter or until January 6, 2021, whichever is earlier. It sounds like there will be a special session that is tentatively planned for June 12<sup>th</sup>.

\*\*\*Upcoming Meetings:

5/27- LMC Webinar, 11:00

6/1- Fire Relief Mtg, 6:30

6/2- Public Building Task Force, 5:30

6/3- CGMC Webinar, 10:00

6/3- EDA, 12:15

A motion was made by Adam Zaske and seconded by Laura Rosen to approve the City Administrator's Report. Ayes: Gasca, Grund, & Pike.

## 7. Discussion Items

## 8. Action Items

A motion was made by Adam Zaske and seconded by Jeff Pike to allow one (1) Genealogical Society employee access to the library on Mondays. Ayes: Gasca, Grund, & Rosen.

A motion was made by Adam Zaske and seconded by Jeff Pike to set a Public Hearing on June 22, 2020 at 6:00 pm for the Variance submitted by Patricia Serrato. Ayes: Gasca, Grund, & Rosen.

A motion was made by Adam Zaske and seconded by Dave Grund to approve the Lion's Club to remove the hockey rink fence & horsehoe pit at Central Park. Ayes: Gasca, Pike, & Rosen.

A motion was made by Adam Zaske and seconded by Laura Rosen to approve moving forward with the clean up of the property at 449 NW 2<sup>nd</sup> Street. Ayes: Gasca, Grund, & Pike.

A motion was made by Jeff Pike and seconded by Laura Rosen to approve the Public Works Fee Schedule. Ayes: Gasca, Grund, & Zaske.

A motion was made by Adam Zaske and seconded by Dave Grund to delay the RRFB project until later this summer. Ayes: Gasca, Pike, & Rosen.

A motion was made by Laura Rosen and seconded by Dave Grund to approve the purchase of playground mulch from Larkins for \$4,860. Ayes: Zaske, Pike, & Gasca.

A motion was made by Jeff Pike and seconded by Adam Zaske to approve the purchase of a 54” Hustler lawn mower for \$5,340. Ayes: Gasca, Grund, & Rosen.

A motion was made by Laura Rosen and seconded by Dave Grund to approve the moving of the streetlight on Main Street north of tracks to the west side of the road. Ayes: Gasca, Zaske, & Pike.

**CITY OF RENVILLE  
RESOLUTION 14-20  
ASSESSMENT AGREEMENT  
BETWEEN THE CITY OF RENVILLE  
AND THE COUNTY OF RENVILLE, STATE OF MINNESOTA**

**THIS AGREEMENT**, made and entered into by and between the City of Renville, and the County of Renville, State of Minnesota, this 26<sup>th</sup> day of May, 2020.

**WHEREAS**, it is the wish of said County to cooperate with said City of Renville to provide for a fair and equitable assessment of property; and

**WHEREAS**, the City of Renville wishes to enter into an agreement with the County of Renville to provide for the assessment of the property in said City by the Renville County Assessor's Office.

**NOW THEREFORE IN CONSIDERATION OF THE MUTUAL COVENANTS HEREIN CONTAINED, IT IS AGREED AS FOLLOWS:**

- \* That the City of Renville which lies within the County of Renville and constitutes a separate assessment district shall have its property assessed by the Renville County Assessor's Office for the assessment years 2021 and 2022.
- \* In consideration for said assessment services, the City of Renville hereby agrees to pay to the County of Renville the annual sum based on the assessment count each of the aforementioned assessment years. Such payment to be made to the County Treasurer on or before July 1 of each of the assessment years. The fee for the assessment will remain at \$10.00 for real property assessments and \$5.00 for mobile home parcels.
- \* This Agreement shall be renewable beginning with the 2023 assessment year, and such renewal shall reflect the increase or decrease in the number of assessment parcels.
- \* This Agreement shall be for a period of two years and shall be subject to thirty (30) days written notice of termination by either party.

This resolution was offered by: Adam Zaske

This resolution was seconded by: Dave Grund

Voting in favor: Alma Gasca, Jeff Pike, & Laura Rosen

Voting against: none

**IN WITNESS WHEREOF**, the parties have executed this Agreement this 26<sup>th</sup> day of May, 2020.
